BALL VALVES

APOLLO

All Alloys Available, ANSI Class 150-600

A-T CONTROLS

Complete Line of Ball Valve, 2-Way & Multi-Port, NPT, SW/BW and Flanged, ANSI Class 150-600 Flanges

KACE

2-Way & Multi-Port, Carbon & Stainless, ANSI Class 150-300

LINUO

Metal Seated Ball Valves, NPT, SW and Flanged, ANSI Class 150-1500 Flanges

XOMOX

PFA Lined, Flanged, ANSI Class 150

REMMINGTON

Metal Seated Zero Leakage, All Alloys, ANSI Class 150-4500

METAL SEATED ZERO LEAKAGE

CRANE FKX 9000

Triple Offset Valves, Flanged, Lug & Wafer, ANSI Class 150-900

LINUO

Metal Seated Ball Valves, NPT, SW and Flanged, ANSI Class 150-1500 Flanges

REMINGTON

Metal Seated Zero Leakage, All Alloys, ANSI Class 150-4500

CONTROL VALVES

LESLIE

Metal Seated Control Valves, ANSI Class 150-4500, Flanged and Butt Weld

REMINGTON

Zero Leakage Quarter Turn Control Valves, ANSI 150-4500

XOMOX

PFA Lined Quarter Turn Control Valves, ANSI Class 150 Flanged

STEAM PRODUCTS

FORBES MARSHALL Piston Valves w/ Zero Leakage on Steam and Hot Oil, Class 800

GESTRA Offers Steam Traps for All Applications, Pressures & Temperatures; a Complete Line of Boiler & Level Controls, Non-Electric Condensate Pumps Along with Continuous and Intermittent Blowdown Valves.

LESLIE has a Complete Line of Precision Steam Regulators and Water Heaters.

BUTTERFLY VALVES

ASAHI

PVC & PVDC, ANSI Class 150, Wafer and Flanged

CRANE/CENTERLINE RS

Resilient Seated, Metal Seated & High Performance Teflon Seated, ANSI Class 150-300

FLOWSEAL

Resilient Seated, Metal Seated & High Performance Teflon Seated, ANSI Class 150-300

XOMOX

PFA Lined, Wafer, Lug and Flanged Connections, ANSI Class 150

CRANE FKX 9000

Zero Leakage Metal Seated Triple Offset Valves, Flanged, Lug & Wafer, ANSI Class 150-600

CHECK VALVES

DUO-CHECK

Wafer General Purpose

HY-GRADE

Tilting Severe Service Check Valves, ANSI Class 150-4500, Soft and Metal Seated

XOMOX

PTFE Lined Ball Check Valves, 1"- 8", ANSI Class 150

CHAMPION

Check Valves adaptable with outside lever and weights, internal or external springs, the Wafer Check can solve many specific application problems. Sizes 2 - 48"

SCHROEDAHL

Valves Provide Economical as well as Effective Protection for Centrifugal Pumps, Against Serious Damage from Overheating and Low Flow

SLURRY VALVES

FLOWROX

Rubber Knife Gate and Pinch Valves for Slurry and Abrasive Applications AND Pinch Valves

PACIFIC VALVE

Pressure Seal Valves: Parallel Disc, Wedge Gate, Globe, Y-Globe and Tilting Disc Check Valves

GSB Process

Your Local WV Source for Industrial Valves, Actuation, & Level Control

ACTUATORS & ACCESSORIES

HYTORK

Can Solve Your Quarter Turn Valve and Damper Automation Requirements

LESLIE

Offers a Complete Line of Linear and Diaphragm Actuators

ASI

Actuator Specialties Can Repair any New, Old or Outdated Electric Actuators

TOPWORX

Field Networking, Valve Control and Position Sensing for Quarter Turn and Linear Valve Positions

A-T

Controls Has a Complete Line of Pneumatic Rack & Pinion and Scotch Yoke Actuators Along w/ Electric as Well

ROTORK

A Complete Line of Electric, Electro-Hydraulic and Pneumatic Actuators for your toughest application

EASYTORK

is a manufacturer of patented high-performance quarter-turn rotary pneumatic vane actuators with a built in accumulator tank for fail safe action

GO

Lever-less Limit Switches Designed For Reliability in Any Application, Including: Explosive and Corrosive Areas

SOFIS

Valve Operation Is Mechanical Safety and Control Systems. Flexi-Drive and Easi-Drive Operators and Power Systems

INSTRUMENTATION & CONTROLS

LESLIE

PMC Pneumatic Controller

MTL

Surge and Lightning Protection For Process Equipment Signal & Power Lines, Field Bus and Intrinsic Safety

REOTEMP

Gauges, RTD's, Thermocouples, Diaphragm Seals

GEMS

Pressure & Temperature Transducers

PMV

Analog, I/P, Pneumatic and Smart Positioners

LEVEL INDICATION

Cyclops of WV

Manufactures sight glass, sight flow indicators, spray rings and sight lights, providing maximum safety in high temps, high pressure, corrosive and volatile processing operations

Fossil Power

originated the Aquarian line of Boiler Water/Steam Level products that have been sold by Yarway™

GEMS

Level, Flow and Pressure Transducers Including: Ultrasonic, Optics, Conductivity, Proximity, Float, Visual, Fluidic Systems, Intrinsically Safe Relays and Controls

HI-TECH

Provides the Right Technology for Every Level Application Offering a Complete Line of Level Controls

ROSEMOUNT

Continuous Signal Radar Based Level Measurement for the Most Demanding Inventory Applications

SOLENOIDS

ASCO

Is the Worldwide Leader in the Design and Manufacturer of Quality Solenoid Valves

LAURENCE

Fast Acting On/Off Solenoid Valves, Turbine Trip Valves

VALVE AUTOMATION & SERVICES

- Valve Automation
- Damper Actuation
- Certified Test Stand
- Certified Technicians
- Steam Trap Surveys
- Valve Heat Rate Surveys
- Fabricated Steam Trap Stations
- Safety Relief Valve Testing
- Valve Repair & Rebuild
- Actuator Repair
- Steam Trap Repair
- Level Gauge Repair
